

20th Anniversary of the Loma Prieta Earthquake Commemoration

Mayor Gavin Newsom invites you to participate in the Marina Earthquake Monument Announcement and Loma Prieta Commemoration Closing Ceremony.

Please join Mayor Newsom, Fire Chief Joanne Hayes-White, and the San Francisco community as we commemorate the 20th anniversary of the most significant disaster in our recent history and come together to remember those who lost their lives, comfort those who lost their loved ones, and honor those who emerged as heroes on that day.

The event will include an announcement of efforts to build a monument in honor of the San Francisco Fire Department. To learn more about the monument, please visit www.mEQm.org.
